17) A draft is put up calling for statistics as to the actual cost involved.

18) As per verbal orders of the Secretary, the whole of the Indié Papers was looked into to see whether the State aimed at all bear the cost of insurance under the terms of transfer of the Indié to the British Govt: It is found that under the terms of transfer, the Govt: of India are bound to carry for nothing within the limits of Mysore the whole official correspondence of the State + accept full liability for the whole Postal Expenditure" and the Govt: of Mysore can ask nothing beyond "a continuance of the (then) existing practice". Apparently, there was no Insurance system under the Mysore Indié, + it does not seem to serve any purpose to move the Govt of India for carrying the State Insured articles free of Insurance fee.

Has the honor to state that General court fees, and postage stamps that are sent to Taluks are generally insured for a nominal sum of Rs. 50. per parcel instead of full value. If such parcels are mislaid or misdelivered, the post office will be responsible only for the insured amount. In the case of general and Court fees stamps even though they are misdelivered they cannot be sold by the person that may receive the parcel. But in the case of receipt labels postage stamps and three-pie papers no such restriction exists and these can be easily converted into money.

If the latter be insured for their full value then the postage charges will be rather heavy.

In the above circumstances instructions are solicited if the additional charges for full insurance may be

insurance may be incurred by the District Treasury contingent amount.

Sir,

In reply to your No.Fl.2943-4/S.R.105-09-2 dated 21st December 1909, I have the honor to state that I am of opinion that Receipt labels,Postage stamps and three-pie paper may be insured for their full value, and that it will be quite sufficient if Stamps of other denominations are insured for a nominal value of Rs 25. Such a procedure will, while providing all the necessary safe-guards, involve only a slight increase of Postal charges.

I made a reference to all the Deputy Commissioners enquiring what the procedure was that was followed in the several Districts. In some Districts the stamps and papers are sent insured for Rs.50/- only. In others they are insured for the full value if the value exceeds - Rs.50/-: otherwise for Rs.50/- only and when it is very small they are sent registered without being insured. In the Kadur District Three pie Papers are at times sent along with specie remittances. In Bangalore stamps and papers are generally sent with Taluk Officials who bring indents. Of these various methods in use that of sending the stamps and papers along with specie remittances, whenever practica-
